## **2011 Ashley & Amanda Loban Memorial Scholarship**

This year we will be awarding two (2) \$1,500.00 scholarships to two (2) deserving young people, one from Brookings High School and another from within the State of South Dakota, who will be continuing their education in their first year, full-time, at a post-secondary school. The scholarship will be awarded based on the student's acts of kindness, good citizenship and humanitarianism.

In order to be considered, we ask that an adult in a supervisory position at school, work, church or extra curricular activity submit the nomination and that it include an overview of the student's activities and the impact that those activities have on their school and/or community. All nominations must be postmarked by April 1, 2011.
